Z203008

The Zenport Z203008 Squirrel Tractor Cob Feeder holds 2 ears of corn and features are multiple spaces for the squirrels to sit and eat away as they look like they are driving a tractor. This high quality, all metal feeder will last for many years and is very durable. It is coated with a polyester finish to keep it weather-resistant. You can also place sliced oranges in the spokes to attract Orioles and other fruit-eating birds.

Z203009

The Zenport Z203009 3 in 1 Platform Feeder is the most versatile feeder, offering multiple ways to feed birds. Open design to view birds from any angle. Mount to bird feeder pole or hang from a hook. Mount with ground post for feeding squirrels, critters and ground feeding birds. Removable grid for use to keep larger birds from throwing seed on the ground, remove grid when feeding squirrels and other critters.

Z203011

The Zenport Z203011 Lunch Box Squirrel Feeder for Squirrels and Chipmunks too. This Squirrel Feeder is designed to feed squirrels and other critters. The lid is hinged for easy opening and closing. An

extended front perch allows squirrels to eat their lunch comfortably. To keep squirrels away from bird feeders, give them their own feeder. Place the Squirrel Lunch Box at least 15 feet away from bird feeders to help deter squirrels from bird seed and birds.

Z203010

The Zenport Z203010 Sunflower Seed Screen Bird Feeder attracts a variety of clinging and perching birds to your backyard with this Sunflower Screen Feeder. Feeder is easy to fill and can hold up to

6-7-pounds of Black Oil Sunflower, Hulled Sunflower, or Sunflower Mixes. Attracts Cardinals, Chickadees, Nuthatches, Titmice, Woodpeckers, and more.
